

## Michael Ferber - Guitar

Having grown up with classical music and educated on piano and violin, he discovered blues and jazz as a teenager. He taught himself to play guitar and became a member of various combos and big bands in the Augsburg-area in Germany. After baby break and career changes he started to make jazz music again in 2008.

## Quotes:

„He has a broad theoretical background, from which all band members can profit again and again.“

„Cinnamon and coriander in bed on a Sunday morning: The DannyJazz Quartet creates an extraordinary musical atmosphere.“

„Fulminant sound, witty vocals: The EvR Big Band impressed with brilliant sound and solos.“

„People loved the program, the impressive ensemble of instruments and they also thought that the Bern Downtown Jazz Project complimented the evening function perfectly, creating a great atmosphere.“
